AMENDMENT UNDER 37 C.F.R. § 1.116

Madame:

This is in response to the Final Office Action mailed July 24, 2001. Accordingly, this response is due on or before October 24, 2001. It is respectfully requested that the following amendments be entered to place this application in condition for allowance or better form for appeal.

IN THE CLAIMS:

Please amend the claims as follows:

21. (Thrice Amended) A process for reducing evaporation of a minute droplet of an aqueous solution comprising the steps of:  
providing a planar substrate;  
providing an oily liquid layer;  
providing an aqueous solution immiscible with said oily layer; and  
shooting a minute droplet by inkjet technique of said aqueous solution into said oily liquid layer to contact said planar substrate,
